The Honorable Walter J. Stoessel
Ambassador
The American Embassy, Moscow

Dear Walt,

You should have received through Department channels, or will shortly, those Key Intelligence Question Strategy Reports which relate to the USSR for your background information. Several Strategy Reports on KIQs managed by my colleagues [REDACTED], NIO for Conventional Forces, and [REDACTED] NIO for Strategic Programs, are of a classification that we can send you only through this channel.

Enclosed are KSRs for KIQs #6, 8, and 10 (which [REDACTED] manages), and KIQs #16, 18, 25-28 (which [REDACTED] manages).

In addition to yourself and Jack Matlock, Jim Mayo will find these of interest. As you will see, KIQ #6 involves broad political, as well as strategic, input and implications, and so you may also wish to share that Strategy Report with Marshall Brement.

The comments on purpose, etc., in my letter forwarding Secret level Strategy Reports to you through Department channels of course apply to these as well.

Sincerely,
